Mr. William Clark, Editor
Newark Evening News
215 Market Street
Newark 2, New Jersey

Dear Mr. Clark:

I want to commend you and your feature reporter, Douglas Eldridge, for the superior job of reportage the Newark Evening News is doing on the controversy over a Police Advisory Board. Doug's complete story in your March 20th issue on the Meeting of the Newark Human Rights Commission was as objective and enlightening as it could have been.

Please accept the thanks of my chairman, Alexander Mark, and me for your efforts in giving some understanding and meaning to an issue which has been charged with heat and emotion, rather than light and rationality.

Very sincerely yours,

DSA:rfm

Executive Director
